Total Credit Hours:    /122

Total Upper Division Hours:    /40

*This includes the remaining semesters total credit hours and upper division hours added with the hours already completed*

**My signature indicates that I understand what is remaining for the major and the university requirements. I am also aware that I have the option to meet with University College Advisor to go over the general education requirements, University bachelor degree requirements, and my total credit hours. I must also meet with my minor advisor to go over requirements. The ESS advisor is not responsible for graduate school prerequisite courses. All classes for the major must have a C- or better and I must meet the GPA requirements of my program or the University in order to graduate.**
