** Human Development and Physics/Biomechanics/Kinesiology and EITHER Anatomy or Physiology must be complete and graded by Dec. 31 of the application year.

All prerequisite coursework must be completed by the end of spring semester (around May) prior to starting the program in the fall. OT prerequisite courses may NOT be taken the summer immediately preceding the start of the OT program.

This information is subject to change without notice or obligation. Students are urged to make contact with their Academic Advisor prior to registering for a prerequisite course.
