Announcing New CI Program!!!

University of Utah
Department of Physical Therapy
Clinical Instructor Privileges & Award Program

We are extremely fortunate to have clinical instructors like you who share your time, expertise, professional values, and patients with our students in providing high quality clinical education! Thank you! Quality clinical education is critical to effectively preparing our students to become competent physical therapists. It is also a rewarding and exciting component of the curriculum!

To thank you for your time and efforts, we are pleased to offer the following awards to our clinical instructors! Please contact either of us if you are interested in applying for Clinical Instructor Affiliate I or II status!

Coming soon! Watch for more information on our Clinical Education Center of Excellence Award!
