Utah Orthopaedic Physical Therapy Residency Program

PROOF OF GOOD STANDING FOR TIMELY GRADUATION

Dear Physical Therapy Program Department Chair:

__________________________ is applying for the Utah Orthopaedic Physical Therapy Residency Program in Salt Lake City. This residency program is a collaboration of the University of Utah Department of Physical Therapy, University Orthopaedic Center, and the Salt Lake City VA Medical Center. The resident will be hired as a productive employee of one of these health care organizations and therefore must be licensed in Utah (temporary licensure requires graduation from an accredited PT program, proof of pending employment, and a scheduled date to take the NPTE) before employment begins on June 1. If the student is currently in good standing and is expected to graduate on time, please sign the form below.

Thank you,

Misha Bradford, PT, DPT, OCS
Director, Utah Orthopaedic Physical Therapy Residency Program

I certify that the above named individual is a student in good standing in the physical therapy program for which I am Department Chair and he/she will graduate before June 1 of the application year.
